2015 Stewardship Campaign

Thanks to everyone who participated in the 2015 Stewardship Campaign. Returning your pledge card allows us to shape the plan for Wesley's ministries in the year ahead. It also gives you an opportunity to renew the pledge you made when you were baptized and/or joined the church. Initially we have had 43 pledge cards returned with total pledges of \$110,319.80 and even more valuable information about the time and talents that many of you intend to share with Wesley Church over the next year. The outcome this year was very similar to the previous year when 43 pledge cards were returned for a total of \$112,725.

On Stewardship Sunday it was uplifting to hear the many ways our Wesley family has shared their time, talents, and gifts with the Church. There were four people who shared their stewardship journey during the church service. Each spoke about how they were moved to pledge what they could and the many blessings they felt they received as a result of their stewardship. We celebrated the giving of our gifts and renewal of our baptism vows and shared a wonderful meal together. It was an uplifting way for Wesley United Methodist Church to start 2015 as we work to accomplish our mission and do the work of Jesus Christ. This includes many things such as feeding hungry children, providing fellowship for seniors, praying for those who are experiencing joy, sorrow and hardship, and sharing the words of Christ inside and outside our church walls.

If you were not able to return a pledge card, it is not too late! There are still pledge cards available on the desk before you enter the sanctuary, from Judy the Administrative Assistant, or by e-mail if you request it from Judy. We hope you prayerfully consider this opportunity to commit to serve Jesus Christ through completing and returning a pledge card.

Your generous gifts combined with God's love allow us to continue to accomplish our ministry goals. God bless you!
